

Introducing the first liner made with 100% Recycled paper that is also Recyclable.

Customers have been asking for new products that are kinder to our environment, produce less waste, and have the same high quality they have come to expect from us.

Thanks to our extensive research and development we now have the EnviroLiner which is made with 100% recycled paper and can be recycled in local recycling facilities.

So, what difference does one label make?

One label might not look like much on its own but when you look at the benefits environmentally as a manufacturer in just one month we have saved:

-  340 Trees
23 tennis courts consumption
-  33,555 lbs of waste
1 garbage truck per year
-  283 MMBTU energy consumption of 3 households per year
327,988 gal. US water 3,547 days of water
- 
-  110,247 lb of CO₂ emissions of 17 cars
-  142 in NO_x emissions of 1 truck during 199 days

Buying a label from us means you are part of a bigger solution!
